OGTAP	Proposed	Dates	for Recruitment 2018
-------	----------	-------	----------------------

**Applications Open:** 29th Jan

**Applications Close:** 16th Feb

**Aptitude Test:** 19th Feb - 18th April

**Interview:** 1st March - 18th April

**Conditional Offers:** 18th April - 31st May

## Women in Engineering Conference

The University of Aberdeen is hosting the 2018 Women in Engineering Conference in partnership with St Margaret's School for Girls. This event will be a fully funded residential conference, with attendees staying in university halls. With only 50 places available, successful candidates will benefit from a travel bursary and a highly interactive programme.

**Women in Engineering Conference**  
**Monday 30th July to Wednesday 1st August 2018**  
**University of Aberdeen**  
**Application Deadline: 24th January**

Sponsored by Chevron, this event is an exciting opportunity for female pupils age 15-17 to learn more about engineering in a university environment as well as in the workplace through hands on activities and contact with female engineers.

This is a truly unique experience for pupils who are interested in careers in Engineering to gain industry knowledge and learn more about the various pathways to a career in Engineering.

If you have any questions at all, please don't hesitate to get in touch.
