Winter Vomitting Bug Advice

HOW TO PREVENT CATCHING THE BUG

✓ Keep your hands clean. Wash them frequently with soap and water, particularly after going to the toilet, and before eating or preparing food.

X Poor hand hygiene can spread bugs to others, alcohol gel will not always kill bugs.

✓ Keep surfaces clean, especially for food preparation.

X Don't share items such as towels or toothbrushes. Vomiting Bug

Winter Vomitting Bug Advice

WHAT TO DO IF YOU CATCH THE BUG

- ✓ Keep it to yourself. Stay at home.
 - X Don't come to school, work or visit anyone for 48 hours after symptoms go.
 - ✓ Rest and drink plenty of liquid. Water is best.
 - X Don't get dehydrated.
- Seek advice if symptoms continue for more than 3 days. You can get advice from NHS 24 by calling 111.

**Did
you wash
them?**

**Hand washing stops
the spread of germs.**

S1 Science – Heart Dissection

DataFest Winners

Congratulations to two of our S1 pupils, Aiden and Shaun who are joint winners in the DataFest 20 Competition who now get the chance to ask questions to Major Tim Peake. Well done boys!

Book Sale

Thank you very much to all who supported the recent book sale. We raised almost £75 for Scotland's Charity Air Ambulance, and the left over books have been donated to the Cancer Research shop in Peterhead!

Biology – Sampling Skills

S3 German Burns Supper

Head to the MFL Mintlaw twitter page to watch the video of Chloe and Emma from S3 German show us how to make a Burns Supper! They wrote the script and filmed the video themselves - Emma says her version tasted better than her mum's! Ausgezeichnet! Sehr gut gemacht Mädchen!

NASSA Cross Country

Mintlaw Netball Team

Congratulations on another win!

S2 Metalwork

2D2 working independently and helping each other out during their metalwork lesson – well done!
