Entries will be judged, and house points awarded. Our top 5 posters will then be entered into the UK wide competition where there are some top prizes up for grabs!</p> <p>Here are some ideas to get you started – think about how a certain type of technology has changed over time or go futuristic and show us how you think they world might look in years to come. If you are a nature fan, create a poster on different lifecycles, lifespans, evolution, or hibernation. Be creative as you like and have fun!</p> <p>All entries must be handed in to Mrs Urquhart (S6) by Friday 15th March. See your Science teacher for more information. Good luck!</p>
