You will need to highlight the range of career opportunities available in the construction industry. This is a great opportunity to gain an understanding for anybody who is thinking of working in construction in the future.</p> <p>The heats will run on Tuesday 3rd December and they will be delivered online. There will be a morning and an afternoon session. The final will take place in-person at a venue in Aberdeen in January 2025 should we make it through. Please go to F2 to sign up.</p>											
S3	S3 STEM Construction Site Trip											
	<p>Over the 4 weeks, we have arranged for you to spend some time on a working construction site on a Thursday morning. You will be given a site tour and will see houses at various stages of completion as well as tour of the site office and shown site drawings, etc.</p> <p>High vis vests and hardhats will be provided on site but you MUST wear boots which we will provide or you can bring your own. Go straight to the workshop after registration to get ready. Consent forms must be given back before going.</p> <p>We can only have a maximum of 8 pupils at a time so the next 2 groups will go in on the following dates – 10th October</p>											

S4 – S6	Additional Assessment Arrangements (AAAs)	
	<p>During the next 2 weeks, ASN staff member will be coming to meet with all S4-6 pupils individually who are entitled to Additional Assessment Arrangements (AAAs). She will go through each subject on your timetable and checking which of your entitled AAAs you wish to use for each subject. Please think about this carefully as this will shape the support you receive in your prelims. Your options will then be scanned home for you to discuss with parents or carers. This process will be repeated, again after the prelims for the SQA exams.</p>
