Respect Aspiration Inclusion Success

Curricular		
S1 – S6	Co-op at Interval	
	<p>Staff at the Co-op Mintlaw have asked, that due to queuing and in some cases challenging behaviour by some of our pupils, pupils do not access the Co-op at interval going forwards. Can I ask also that all pupils ensure they are respectful both towards Co-op staff at lunchtimes and indeed all other local providers at both interval and lunchtime across our Mintlaw Community. It's frustrating when the behaviour of a small number causes issues for everyone else.</p>

For anyone interested in challenging Mathematics problems. There are different levels of competitions for different age groups.

The Challenge is a maths problem-solving competition for school students across Scotland, now in its 50th year. There are two rounds of problems where students work on the questions in their own time, and submit them through their school. At the end of the competition around half of all entrants receive either a Gold, Silver or Bronze award certificate. Gold and Silver awardees also receive a prize mug. The Challenge gives a chance to demonstrate ability in maths and be rewarded for it; with three levels of award, recognition is not restricted to the top performers alone.

If anyone is interested in taking part, or finding out more information, please speak to Mr Forbes in room B18 before Friday 27th September, or speak to your Maths teacher in class.
