Additional Assessment Arrangements (AAAs)

During the next 2 weeks, Mrs F will be coming to meet with all S4-6 pupils individually who are entitled to Additional Assessment Arrangements (AAAs). She will go through each subject on your timetable and checking which of your entitled AAAs you wish to use for each subject. Please think about this carefully as this will shape the support you receive in your prelims. Your options will then be scanned home for you to discuss with parents or carers. This process will be repeated, again after the prelims for the SQA exams.

There are different levels of competitions for different age groups.</p> <p>The Challenge is a maths problem-solving competition for school students across Scotland, now in its 50th year. There are two rounds of problems where students work on the questions in their own time, and submit them through their school. At the end of the competition around half of all entrants receive either a Gold, Silver or Bronze award certificate. Gold and Silver awardees also receive a prize mug. The Challenge gives a chance to demonstrate ability in maths and be rewarded for it; with three levels of award, recognition is not restricted to the top performers alone.</p> <p>If anyone is interested in taking part, or finding out more information, please speak to Mr F in room B18 before Friday 27th September, or speak to your Maths teacher in class.</p>
