S3 Social Subjects

Week commencing 29th June

For both Social Subjects and RMPS this week you are going on a virtual field trip. On your class TEAMS page you will find a PowerPoint with 20 options for various field trips. Your task is to choose one to go on and enjoy a virtual trip away! There is plenty of choice, from exploring Lava Tubes in Hawaii, attending Hajj in Saudi Arabia to visiting ancient Egypt or Kayaking the glaciers and fjords of Alaska (my favourite). Rather than just a place you can even explore Black history and culture in the USA.

It could be somewhere directly linked to what you are studying or just somewhere that takes your interest. You can go on one trip or all 20!

Please post where you go on your TEAMS page. Happy “travels”
