Virtual Field
Trip

WHERE TO?

- Normally at this time of year we would be planning trips away and carrying out fieldwork as part of our courses. Sadly this year we are unable to do this but that shouldn't stop us from exploring something new.

Your task this week for social subjects is to take a virtual field trip (or two)

Look at the ideas that follow and choose a field trip to go on. Once you have been on it post where you have been in your class TEAM.

You don't have to stick to just one!!
