

Dear Parent / Carer

It's good to be back to school today following the October break. Hopefully everyone had a chance for some rest and recuperation and wasn't too bothered by the stormy weather. I'm delighted to say our pupils are looking great today with almost everyone in School Dress Code so a big thanks for your support in this.

Just a quick update that I am now booked for my second hip surgery on Monday 27th November, 4 weeks from today. Although earlier than I had anticipated, it means that the 4 week period from then till the holidays, plus the holidays themselves should see me back to fit and healthy by the start of Term 3 so my plan would be to return on Monday 8th. It will be good to finally get back to normal.

Here's hoping for a successful if busy Term 2.
