

Dear Parent/Carer

In the event of adverse weather, the Aberdeenshire Council School Closure platform [School closures and transport changes - Aberdeenshire Council](#) will be used to communicate changes that may affect school opening or travel arrangements, so please refer to it in the first instance for any closure/changes to travel.

[Sign in with myAberdeenshire](#) to register for email alerts or [download the myAberdeenshire app](#) to get notifications when your school(s) updates their closure status.

Unless it is stated that we are closed, we will remain open. Please **do not call the school line**, full information will be available via the online platform.

Like today, a delayed opening may be triggered to allow our staff and pupils to arrive safely. The school is open each morning from 6am so any delay is to our school day starting rather than building opening. In the event of a delayed start school transport will operate at normal times unless contractors have advised the school otherwise, if we are advised of changes the online platform will be updated to reflect this information when it is received.

Likewise, school transport providers may take the decision to cancel transport, again this information will be added to the online platform when it is received.

Kind Regards

Audrey Campbell  
Business Manager
